 Administration of Medication Procedures

CHANGES IN RELATION TO ADMINISTRATION OF PARACETAMOL/IBUPROFEN

4. Procedure Details

4.1 General Principles

- ♦ Authorisation by the parent/s is required for the administration of all medication. This includes prescribed and non-prescribed medication.
- ♦ Authorisation by a doctor, dispensing pharmacist or nurse is required for the administration of all prescribed medication.
- ♦ A record of all authorisations (verbal or written) must be kept by the school.
- ♦ Schools must only accept prescribed in date medication provided in the dispensed, labelled container, or the original over-the-counter packaging for non-prescribed medication.
- ♦ An official register for the administration of medication to students must be maintained. It must have a record of all occasions when medication is administered to a student.

Analgesics (such as paracetamol and ibuprofen) and naproxen (used in the treatment of menstrual pain) should not be kept in a first aid kit. These medications must not be given to students without authorisation from the parent/s and the student's medical practitioner. In such cases the medication should be provided by the parent/s and an Administration of Student Medication Authorisation form filled in.

Exeter High School will no longer supply Panadol / Ibuprofen or similar.

EXPAND YOUR WORLD

Capture the spirit of fun and friendship in your own backyard! Department of Education-approved Southern Cross Cultural Exchange is pleased to provide a different educational and cultural experience for you and your family. Don't miss the invaluable opportunity to learn about your favourite foreign culture, and even improve your languages' score.

Our volunteer families come in different sizes but all have big hearts in choosing to share their daily life and culture with an international exchange student. Volunteer families are more than wonderful hosts. They are a crucial part of S.C.C.E.'s tireless award-winning efforts to embrace our world through international cultural understanding and help put Australian culture on the map. Their voluntary accommodating of a 15-17 year old sporty, adaptable and nature-loving young individual brings with it unexpected rewards as the opportunity offers everyone a unique experience to learn, gain and adjust.

Exchange students will be arriving soon in mid-July. Select your choice of a French, German, Italian, Spanish, Swedish, Finnish, Danish or Norwegian student and according to your family's availability. S.C.C.E. takes care of all the arrangements including school.
